Dear Carver E&S Families:

At Parent Teacher Conference, Ms. Pat and Ms. Jordan handed out a parent survey to get feedback from our parents. We had 71 parents complete it. Thanks to Ms. McGoldrick for compiling the data.

Here are the results:

- \*\*\* 99% (70 out of 71) report we have a welcoming environment for parents
- \*\*\* 87% report we inform parents of activities at the school
- \*\*\* 16 parents report a preference for morning meetings; 39 request evening meetings; 1 requested Saturday meetings
- \*\*\* 36 parents would like more information about school issues; 31 would like more information about how to get involved.
- \*\*\* Parents requested resources be spent on Parent Workshops and Summer materials to use at home; Workshop requests: Applying to colleges, Study techniques, Summer enrichment
- \*\*\* Many parents reported that we continue to communicate via email.

All in all, these results affirm a great deal of our work. Thanks for all your support. Please let me know if you have any questions.

Again, thanks to Ms. Pat, Ms. Jordan and Ms. McGoldrick for their help with it!

Sincerely,

Ted M. Domers, Ed.D.  
Principal
