[Work Ready Website](#)

WorkReady summer models offer educationally-enriched work exposure to in-school and out-of-school youth and young adults, ages 14-21. Participants complete a six-week (120 hour), paid work experience that fosters the acquisition of the 21st century skills through work-based learning. This continuum of models challenges youth to understand the correlations between work experience, high school completion and credential attainment, and how those variables impact their potential for college and career success.

DUAL ENROLLMENT 2020-2021 (SYOP)

Students entering their Senior Year during the 2020-2021 school year are eligible for dual enrollment programs at Temple and CCP. Tuition and books are covered by the School District of Philadelphia for all participating students.
